What the Pros Know

Scrub your hands for 15 to 30 seconds before rinsing. Studies show it is the length of time spent washing that makes the difference.

Description

This product is a synthetic pearlescent hand soap made from the finest ingredients available and scented with a fine perfume. It will quickly and easily remove all soils and greases without irritation to even the most delicate hands. Produces a dense creamy lather and contains no free alkali or other irritants.

Directions

Read all directions and cautions prior to washing your hands.

Apply to hands and massage lather into skin. Rub well, adding water if required, to maintain a good lather. Rinse hands with water to carry away all dirt and grime.
