

# MAVERICK

## SUPER-DUTY DEGREASER

DESENGRASADOR ESTUPENDO DEL DEBER

### Technical Data

#### Environment, Health & Safety

- Biodegradable
- Low Toxicity
- No Phosphates
- No Ozone Depleting Compounds
- No Known Carcinogens
- No Chlorine Bleach
- No Butoxyethanol
- No Petroleum Distillates
- Low VOC Level
- Recyclable Container

#### Specifications

SSS Item Numbers .....	48129
Available Sizes .....	1G
Color .....	Purple
Fragrance .....	Mild, Pleasant
pH .....	12.0 - 12.5
Viscosity .....	Water thin
Foam .....	Moderate
Flash Point .....	None
Abrasive .....	None
Biodegradability .....	Complete
Solvents .....	None
Storage/Stability .....	2 years
Weight Per Gallon .....	8.61 lbs./gal
Freeze/Thaw Stability .....	Keep from freezing

#### HMIS Hazardous Materials I.D. System

Health .....	2
Flammability .....	0
Reactivity .....	0
Personal Protection .....	C

#### What the Pros Know

The Bio-based chemistry is solvent free and provides excellent performance on all types of industrial soil.

#### Description

Formulated using MicroEmulsion 3G Technology. SSS EarthCare Maverick Super Duty Degreaser is a low toxicity, low VOC, readily biodegradable, micro-emulsion, highly concentrated cleaner/degreaser that is specially designed to address the environmental, safety and health concerns facing today's housekeeping professional. The formulated blend of ingredients combine to lift and emulsify soils, fats, oils and greases without the use of solvents. Can be used to clean most hard surfaces such as walls, tile & grout, food processing and service areas.

#### Directions

Wear safety equipment recommended on MSDS, place Wet Floor Signs and read all directions and cautions prior to beginning your work.

FOR GENERAL CLEANING OF FLOORS, WALLS, and FIXTURES: Dilute concentrate 2 to 4 ounces per gallon of water and apply with a mop, sprayer, or sponge. Allow to stand a few moments and wipe off or rinse clean with water.

FOR FOOD PROCESSING AREAS and EQUIPMENT: Dilute concentrate 4 ounces per gallon of water. Mop, spray or sponge onto surface and allow to stand a few moments. Surfaces that come directly in contact with food require a potable water rinse; otherwise rinsing is not usually necessary.

FOR HEAVY DUTY DEGREASING and INDUSTRIAL CLEANING: Dilute concentrate 4 ounces per gallon of water. Mop, spray or sponge onto surface and allow to stand at least 5 minutes. Scrub or brush thoroughly and rinse with clean water.

Use unheated tap water when diluting product. These directions are flexible rather than specific. In many cases a more dilute solution can be used, while for extreme conditions a less dilute solution may be used.
